

830 BRICKELL

Shaping a New Generation of Buildings

Designed by internationally acclaimed Adrian Smith + Gordon Gill Architecture, the firm behind the Jeddah Tower and the Burj Khalifa, the tallest towers in the world, 830 Brickell brings a premium commercial offering to the heart of Miami's financial center – as the area's first office building to be built in over a decade.

A truly unique addition to the Miami skyline, this iconic tower offers unparalleled accommodation and amenities to the world's leading companies.

ARCHITECTURAL FEATURES

57 stories

724 feet in height

LEED Silver certification

Energy-efficient building envelope:

- Full-height insulated glazing
- Low-E tinted glazing
- Hurricane-impact glazing system

3-zoned elevator system

8 stories of parking wrapped in a dynamic kinetic wall

ENTRANCE

The 8-story parking garage at 830 Brickell acts as the tower's podium and is wrapped in a kinetic wall, a sprawling sheet of aluminum squares that move in the wind as they reflect neighborhood movement and light.

LOBBY

Italian design firm Iosa Ghini Associati's remarkable vision for the lobby, floored with white marble and paneled in black slats, sets an elegant and highly professional tone. Lining the 20' ceilings, LED lighting illuminates the expansive foyer and the reception area's breathtaking furnishings.

SKY LOBBY

The Sky Lobby is home to the exclusive fitness and wellness center, conference rooms, common area with light shopping, and café with healthy refreshment options – serving as a collaborative space that accommodates all workday necessities.
